Engineer to Estimate Unknown

We would be obliged if you could contact the repairing garage and/or the client as appropriate and agree figures with the repairer – **do not authorise repairs**. Please do not agree a contract repair in excess of 80% of the vehicle value. All contract repairs must be fully itemised.

Please confirm if the vehicle is un-roadworthy and/or illegal to drive.

Vehicle Status – Driveable

Please could you check the damage for consistency with the following accident circumstances?

Our client's vehicle was parked and unattended on the grass verge in Haggs Castle Golf Club in Glasgow just off Dumbreck Road. This car park has allocated parking bays with one lane of traffic flow. Your insured pulled into their parking bay too quickly and collided into the front of our client's vehicle. Our client went back into the golf club to leave their phone number for the person who hit their vehicle and that's when your insured contacted our client to inform them what happened.

Damage Area – Front: Moderate
shifted the bumper and and brocken grill

Pre-existing Damage: No
